

the renumbered Fig. 1. The following table illustrates the correlation between the elected species of the original Fig. 3 and the renumbered Fig. 1.

|                   | <u>Original Figure Number</u> | <u>Amended Figure Number</u> |
|-------------------|-------------------------------|------------------------------|
|                   | 1                             | 2                            |
|                   | 2                             | 3                            |
| ELECTED SPECIES → | 3 →                           | 1                            |

Therefore, Applicants respectfully submit this clarification that the elected species corresponds to the original Fig. 3, which is the same as the renumbered Fig. 1.

Applicants express appreciation to Examiner Nadav for his attentiveness during our conversation and for his diligence in addressing this issue. If there is any further discussion that might facilitate additional clarification of the election filed June 6, 2008, Applicants request that the Examiner contact Applicants to discuss such matters. A notice of allowance is earnestly solicited.

Respectfully submitted,

/mark a. wilson/
